

## First Amendment Academy Enrollment Guide

To access these First Amendment Academy courses — presented by Freedom Forum and hosted by Arizona State University through its CareerCatalyst platform — you will need to **create a CareerCatalyst account first**. Once you make an account, you will be able to access all courses in these series.

These free courses are available only through the First Amendment Academy and are not listed in the public ASU CareerCatalyst catalog. Because of the unique nature of this partnership and the specialized content developed by Freedom Forum, the courses can be accessed only through the dedicated enrollment links. See below for step-by-step directions.

Use the links below to create an account and register for the First Amendment Academy courses.
